In the original version of this article, one of the affiliation details for Anthony K. Cheetham were incorrectly given as ‘Materials Department and Materials Research Laboratory, University of California, Santa Barbara, Bengaluru 93106 California, USA’ but should have been ‘Materials Department and Materials Research Laboratory, University of California, Santa Barbara, 93106 California, USA’. Also, in the original version of the Supplementary Information associated with this Article, the affiliations of Anthony K. Cheetham, Gopalakrishnan Sai Gautam and Pieremanuele Canepa were incorrectly reported and numbered. Also, this article contained mistyping errors in Figure 2, Figure 4, Supplementary Table 1, Supplementary Table 4 and Supplementary Note 3. In Figure 2, panel b, the y-axis label was incorrectly reported as “Na+ conductivity, log₁₀(S/cm)”. In Figure 4, panel a, the x-axis label was incorrectly reported as “2 (°)”. In Figure 4, panel b, the y-axis label was incorrectly reported as “ln(T) (SKcm-1)”. In Supplementary Table 1, the numerical values “623.9” and “625.2” in the “AE_{end}” column were missing the “-” sign, and the terms “Na(1)” and “Na(2)” were swapped. In Supplementary Table 4, the number “8” was used for two different “Cluster #” rows. In Supplementary Note 3, the terms “Na(1)” and “Na(2)” were swapped, and the term ΔE_{end} was incorrectly reported as “|ΔE_{end}|”. The correct affiliations, axis labels, numerical values of tables and labelling of equation components are now provided in the main text and supplementary information. These errors have been corrected in the HTML and PDF versions of the article.
